

QUICK SHIP SILO PROGRAM

- Feldmeier is proud to offer **40,000 - 70,000 stock silos** ready for your project or replacement needs in a fraction of the time.
- Many of our world class tanks will be pre-fabricated, to almost complete. Meaning you can still **customize and meet your silo needs** but within a fraction of the time.
- If you need a replacement silo, this is the ideal opportunity to replace and have as **little down time as possible** to **maximize profitability**.
- Our **QUICK SHIP SILO PROGRAM** is ideal for **customers requiring a quick replacement silo or additional capacity**. All Feldmeier silos are built to 3-A Standard 22, and proudly display the 3-A Tag.
